

Subject	Grade Level	Art Form	Description	Materials Needed	Duration (Minutes)	Learning Objectives
Drawing	K-2	Pencil Drawing	Introduce basic shapes and forms.	Pencils, Paper	30	Identify shapes and practice shading.
Painting	K-2	Watercolor Painting	Learn blending colors and creating texture.	Watercolors, Brushes, Paper	45	Understand color mixing and brush techniques.
Sculpture	K-2	Clay Modeling	Create forms using clay or playdough.	Air-dry clay, Tools	60	Develop fine motor skills through sculpting.
Printmaking	3-5	Linoleum Print	Create prints using carved linoleum blocks.	Linoleum, Carving tools, Ink, Paper	90	Explore the process of making prints and understand relief printing.
Photography	3-5	Digital Photography	Introduction to photography techniques and composition.	Digital camera, Editing software	120	Understand camera functions and basic editing.
Graphic Design	3-5	Digital Design	Learn Adobe Photoshop basics for digital layouts.	Computer, Photoshop	120	Gain skills in digital creation and editing.
Collage	K-2	Paper Collage	Create artworks from various paper materials.	Colored paper, Glue, Scissors	30	Encourage creativity and understanding of composition.
Textiles	6-8	Weaving	Introduction to weaving techniques and patterns.	Yarn, Loom, Scissors	90	Explore texture and pattern in textiles.
Mixed Media	6-8	Mixed Media Art	Combine various materials to create a single artwork.	Paint, Paper, Fabric, Glue	120	Understand how different materials interact.
Drama	K-2	Improv Games	Engage in improvisational theater activities.	Space for movement	30	Build confidence and creativity through performance.
Dance	3-5	Creative Movement	Explore basic dance movements and rhythm.	Open space, Music	45	Enhance body awareness and express emotions through movement.
Music	K-2	Singing	Learn simple songs and rhythm clapping.	Songbook, Instruments	30	Develop musical ear and basic rhythm skills.
Filmmaking	6-8	Short Film Creation	Create a short film using storyboarding and filming techniques.	Camera, Editing software	180	Understand the filmmaking process from concept to presentation.
Art History	K-2	Famous Artists	Learn about influential artists and their techniques.	Books, Art reproductions	45	Introduce art historical context and visual literacy.
Ceramics	6-8	Pottery	Create pots and sculptures using hand-building techniques.	Clay, Glazes, Kiln	120	Understand the ceramics process and glazing techniques.
Digital Art	3-5	3D Modeling	Introduction to 3D software and modeling.	Computer, 3D software	120	Explore dimensional design and modeling.
Choreography	6-8	Dance Composition	Create a dance piece based on a theme or emotion.	Open space	90	Encourage collaboration and expression through dance.
Animation	6-8	Stop Motion Animation	Learn to create animations using physical objects.	Camera, Animation software	180	Explore storytelling through animated visuals.
Fashion Design	6-8	Costume Creation	Design and create costumes for theater or performance.	Fabric, Sewing kit	120	Understand fashion concepts and garment construction.
Storytelling	K-2	Oral Storytelling	Share stories using voice and body language.	Space for storytelling	30	Enhance narrative skills and public speaking.
Calligraphy	6-8	Lettering Arts	Learn about different styles of lettering.	Ink, Calligraphy pens, Paper	90	Develop fine motor skills and aesthetic appreciation.
			Practice constructive	Artworks to		Foster critical

Art Critique	3-5	Art Evaluation	critique of peers' artwork.	critique	60	thinking and reflective skills.
Video Art	6-8	Media Installation	Create a visual installation using video.	Video equipment, Projector	180	Explore video as an artistic medium for exhibition.
Public Art	6-8	Mural Painting	Plan and create a mural for community engagement.	Paint, Brushes, Wall space	240	Promote teamwork and community involvement through art.
Cartooning	3-5	Comic Strip Creation	Learn to create comic strips with characters and dialogue.	Paper, Pens, Markers	90	Encourage storytelling and character development.
Woodworking	6-8	Basic Woodcraft	Create simple wooden projects using hand tools.	Wood, Tools, Safety gear	120	Teach safety and basic woodworking techniques.
Graffiti Art	6-8	Street Art Styles	Explore techniques used in graffiti art.	Spray paint, Stencils, Wall space	120	Discuss urban art culture and personal expression.
Digital Photography	6-8	Photojournalism	Capture and edit photographs for storytelling.	Camera, Editing software	120	Explore the role of photography in journalism.
Art Exhibition	6-8	Gallery Setup	Plan and execute an art exhibition showcasing students' work.	Space, Artworks, Labels	180	Understand event organization and presentation skills.
Sound Art	6-8	Audio Experimentation	Create art using soundscapes and audio clips.	Recording equipment, Computer	90	Explore sound as an artistic medium.
Cartoon Animation	6-8	Character Animation	Explore techniques for character animation and storyboards.	Animation software, Computer	120	Enhance storytelling through animation techniques.
Fashion Illustration	6-8	Drawing Fashion	Sketch fashion designs and understand proportions.	Sketchbook, Markers, Reference images	90	Foster creativity and understanding of fashion design process.
Acting Games	3-5	Theater Games	Engage in games that promote confidence in acting.	Space for acting	30	Encourage spontaneity and creativity in performance.
Literary Arts	3-5	Poetry Writing	Explore poetry through creative writing exercises.	Journals, Pens	60	Develop writing skills and understanding of poetic forms.
Art and Nature	K-2	Nature Collage	Create art using natural materials found outdoors.	Natural materials, Glue, Paper	60	Encourage exploration and appreciation of nature.
Art Using Technology	3-5	Digital Illustration	Create digital artwork using tablets or computers.	Tablets, Drawing apps	120	Understand digital tools for artistic expression.
Dramatic Reading	K-2	Story Performance	Perform stories using dramatic techniques.	Storybooks, Props	30	Enhance narrative skills and expressiveness.
Resin Art	6-8	Creating Resin Crafts	Learn how to use resin to create art pieces.	Resin, Molds, Gloves	120	Understand the properties of resin and safe handling techniques.
Pottery Wheel	6-8	Wheel Thrown Pottery	Learn to create pottery on a pottery wheel.	Pottery wheel, Clay, Tools	180	Understand wheel-throwing techniques and clay properties.
Color Theory	3-5	Understanding Color	Explore color mixing and complementary colors.	Color wheels, Paints	45	Develop an understanding of color relationships.
Crafting	K-2	Seasonal Crafts	Create seasonal themed crafts with simple techniques.	Craft supplies, Glue, Scissors	30	Enhance creativity and fine motor skills.
Art in History	6-8	Historical Art Movements	Learn about major art movements and their contexts.	Books, Multimedia	90	Understand the evolution of art through history.

Interactive Art	6-8	Audience Participation	Create art that involves audience interaction.	Various materials for installation	120	Engage viewers in the artistic experience.
Fashion History	6-8	Evolution of Fashion	Discuss the historical context of fashion changes.	Fashion books, Visual aids	60	Understand trends and influences in fashion history.
Media Literacy	6-8	Analyzing Advertisements	Critically evaluate the message behind visual media.	Ads, Analysis sheets	90	Develop critical thinking regarding media representation.
Art Therapy	6-8	Creative Expression through Art	Explore art as a therapeutic tool.	Various art supplies	90	Understand the emotional impact of creating art.
Color Mixing	K-2	Primary Colors	Experiment with primary colors to create secondary colors.	Paints, Mixing trays	45	Understand the color wheel and mixing principles.
Stage Design	6-8	Theater Set Design	Learn the basics of stage design for performances.	Materials for models, Sketch tools	120	Explore the role of design in theater production.
Visual Journaling	3-5	Art Journals	Create personal journals combining text and images.	Journals, Mixed media supplies	60	Encourage self-reflection and creativity.
Installation Art	6-8	Space and Art	Design and create an art installation in a specific space.	Various materials for installation	180	Understand spatial relationship and installation concepts.
Storyboarding	6-8	Visual Storytelling	Learn to create storyboards for narratives.	Storyboard templates, Pencils	90	Understand narratives through visual sequences.
Public Speaking	6-8	Presentation Skills	Develop speaking skills through presentations about art.	Space for presentations	60	Enhance articulation and confidence in public speaking.
Acrylic Painting	3-5	Acrylic Techniques	Learn various techniques of using acrylic paints.	Acrylic paints, Brushes, Canvas	90	Explore texture and layering in paintings.
Art Collaboration	6-8	Group Project	Collaborate on a significant group art project.	Various art supplies	240	Enhance teamwork and collective creative processes.
Art and Technology	6-8	Digital Installation	Explore how technology can enhance artistic expression.	Computers, Digital tools	120	Investigate technology in contemporary art.
Art from Waste	K-2	Recycled Art	Create art using recycled materials.	Recyclables, Glue, Scissors	60	Discuss environmental awareness through creative projects.
Creative Writing	6-8	Story Creation	Combine writing and illustrations in creating storybooks.	Papers, Pens, Markers	90	Encourage narrative skills and creativity.
Music Performance	3-5	Group Instrumental	Perform music as a group with instruments.	Instruments, Sheet music	60	Promote teamwork through music performance.
Street Dance	6-8	Hip-Hop Styles	Learn basic street dance moves and choreography.	Open space, Music	60	Enhance physical expression and rhythm.
Theatrical Expression	K-2	Puppet Show	Create and perform a puppet show reflecting a story.	Felt, Puppets, Stage	60	Enhance storytelling through puppets.
Encaustic Art	6-8	Wax Painting	Learn the ancient technique of encaustic painting.	Wax, Heat source, Brushes, Canvas	120	Explore texture and depth in artworks.
Digital Storytelling	3-5	Creating Digital Narratives	Use technology to create stories.	Computers, Storytelling software	120	Combine technology and storytelling for engagement.
Color Exploration	K-2	Exploring Colors	Experiment with various colors in a project.	Paints, Paper, Brushes	30	Understand emotions through colors.
Visual Arts Critique	6-8	Art Analysis	Practice critiquing works of art from various genres.	Artworks, Critique sheets	90	Develop analytical skills regarding art interpretation.
			Explore how art can express	Art supplies,		Discuss the relationship between

Art & Emotion	6-8	Expressive Arts	emotions and thoughts.	Journal	90	emotion and creativity.
Weaving Basics	6-8	Loom Techniques	Learn the fundamentals of weaving on a loom.	Loom, Yarn	120	Understand patterns and textures in textile arts.
Art Clubs	K-2	After-school Art	Engage in fun, informal art projects after school.	Various art supplies	60	Foster community and creativity in after-school environments.
Origami	3-5	Paper Folding	Learn the art of paper folding and create various shapes.	Origami paper	45	Enhance fine motor skills and patience.
Street Art Techniques	6-8	Graffiti Basics	Explore basic techniques used in street art.	Spray paint, Stencils	120	Discuss the cultural significance of street art.
Soundscape Creation	6-8	Audio Art	Create intricate soundscapes using various audio elements.	Recording tools, Sound software	120	Explore the composition of sound and rhythm.
Contemporary Art	6-8	Current Trends	Discuss and create art reflecting contemporary themes.	Various materials, Multimedia	90	Understand and engage with current art movements.
Environmental Art	6-8	Nature-inspired Art	Create art that reflects or uses natural materials.	Natural materials, Art supplies	120	Connect art with environmental stewardship.
Abstraction	6-8	Abstract Art Creation	Explore the concepts of abstraction in art.	Paint, Canvas	120	Understand interpretation beyond representational forms.
Experience Design	6-8	Interactive Installations	Design an art experience for the audience.	Various materials	180	Investigate how art influences viewer experience.
Art and Cultural Identity	6-8	Cultural Expression	Explore how cultural identity is expressed through art.	Art supplies, Cultural references	90	Discuss influences of culture in artistic choices.
3D Printing	6-8	Digital Fabrication	Create and print 3D models using design software.	3D printer, Design software	180	Investigate the intersection of technology and art.
Infographic Design	6-8	Visual Information	Create informative graphics to convey information.	Computers, Graphic design software	120	Discuss clarity and design in visual communication.
Community Art Projects	6-8	Collaborative Art	Engage in projects that involve the community.	Various materials, Space	240	Discuss the social role of art in communities.
Art Ethics	6-8	Cultural Appropriation	Discuss ethics in artistic representation and appropriation.	Case studies, Discussion materials	90	Develop critical thinking regarding cultural expression.
Fashion Show	6-8	Culminating Showcase	Organize a fashion show displaying student designs.	Space, Models, Fashion items	240	Enhance teamwork and organizational skills.
Introduction to Art Media	3-5	Art Techniques	Experiment with various art mediums and techniques.	Paints, Papers, Brushes	90	Foster hands-on skills in diverse art forms.
Vocabulary in Art	K-2	Art Terms	Learn important vocabulary related to art.	Art flashcards, Examples	30	Enhance communication regarding art.
Art in Social Movements	6-8	Activism through Art	Explore how art can drive social change.	Case studies, Art materials	90	Discuss the role of art in social justice.
Theater Production	6-8	Stage Management	Learn about the roles and responsibilities in theater production.	Scripts, Stage space	180	Understand the collaborative efforts required in theater.
Visual Arts and Technology	6-8	Digital Fortunes	Create art using digital technologies.	Tablets, Digital art software	120	Discuss the importance of technology in modern art practice.
Sculpting Techniques	6-8	Modeling Forms	Learn about different sculpting techniques using clay.	Clay, Tools	120	Enhance three-dimensional understanding in art. Encourage

Community Mural	K-2	Group Painting	Engage in a group mural project to beautify the school.	Paint, Brushes, Wall space	180	teamwork and community expression through art.
Digital Collage	3-5	Photomontage	Create digital collages using photo editing tools.	Computer, Photo editing software	120	Explore digital manipulation and art creation.
Recycled Sculptures	3-5	Art from Waste	Create sculptures from recycled materials.	Recyclables, Glue, Scissors	60	Promote environmental awareness and creative reuse.
Fashion Sketching	6-8	Fashion Illustration	Learn to sketch fashion designs with figures.	Sketchbook, Pencils, Markers	90	Enhance drawing skills focused on fashion.
Art Relay	K-2	Collaborative Drawing	Participate in a relay drawing activity as a group.	Large paper, Markers	45	Encourage cooperation and creativity.
Video Editing	6-8	Film Techniques	Learn the basics of video editing and story structure.	Editing software, Footage	120	Enhance understanding of narrative and media editing.
Chalk Art	K-2	Outdoor Creations	Create temporary chalk art on sidewalks.	Chalk, Outdoor space	60	Encourage creativity in outdoor settings.
Imaginative Play	K-2	Creative Role-Playing	Engage in play that fosters creativity and narrative.	Props, Costumes	30	Build confidence and imagination through role-playing.
Art & Nature Walk	3-5	Nature Observation	Take a nature walk to inspire art projects.	Nature materials, Drawing supplies	60	Foster observation skills and appreciation of nature.
Art as Activism	6-8	Advocacy through Art	Create art that communicates a social message.	Various materials	120	Explore the power of art in social advocacy.
Sketch Journals	3-5	Personal Art Books	Create personal sketchbooks for expression.	Sketchbooks, Pencils, Coloring supplies	90	Encourage personal reflection and creativity.
Art and Identity	6-8	Self-Reflection	Create art addressing personal identity and experiences.	Art supplies, Journal	90	Explore individual identity through artistic practices.
Storytelling with Music	3-5	Musical Narratives	Use music to enhance storytelling experiences.	Instruments, Storybooks	60	Combine narrative and music for emotional impact.
Sculptural Forms	6-8	Creating 3D Art	Experiment with different materials to create sculptures.	Mixed media materials	120	Understand form and structure in three-dimensional art.
Art Journaling	6-8	Expressive Writing and Images	Combine art and writing for self-expression.	Journals, Art supplies	90	Foster creativity through visual and written expression.
Sketching Nature	K-2	Outdoor Drawing	Observe and draw natural subjects outdoors.	Sketchbooks, Pencils	60	Connect art with the natural environment.
Animation Techniques	6-8	Basic Animation	Learn foundational skills in animation through drawing.	Animation software, Drawing materials	120	Understand motion and storytelling in animation.
Art and Sound Events	6-8	Creating Sound Installations	Explore sound as a medium for installation.	Sound equipment, Various materials	180	Engage with sound art and audience interaction.
Multicultural Arts	K-2	Global Art Practices	Explore art from various cultures around the world.	Art supplies, Cultural references	60	Foster appreciation for diversity in artistic expression.
Puppet Making	3-5	Creating Characters	Make simple puppets for storytelling.	Felt, Glue, Scissors	90	Encourage creativity and performance skills.
Community Dance	6-8	Dance for Everyone	Choreograph and perform a group dance for the community.	Open space, Music	120	Promote engagement and confidence through dance.

Visiting Artist Workshop	6-8	Guest Artist Sessions	Learn from a local artist through a workshop.	Art supplies, Guest artist	240	Understand professional practices in the arts.
Dramatic Interpretation	6-8	Acting Sections	Perform selected dramatic readings or monologues.	Scripts, Performance space	90	Enhance performance skills through character exploration.
Furniture Design	6-8	3D Furniture Models	Create design models for furniture using drawing techniques.	Sketching materials, Model-building supplies	120	Introduce concepts in functional design.
Setting the Scene	6-8	Designing Stage Sets	Create mini-models of stage designs for theater productions.	Cardboard, Paint, Various materials	120	Explore visual storytelling through set design.
Choreography Development	6-8	Creating Dance Pieces	Develop a complete choreography for presentation.	Open space, Music	90	Foster creativity and collaboration in dance techniques.
Sculpture in Nature	6-8	Outdoor Installations	Create large-scale sculptures using natural materials.	Nature materials, Space	180	Connect art with environmental consciousness.
Comic Book Creation	6-8	Complete Comic	Develop a storyline and illustrate a comic book.	Pencil, Sketchbook, Inking supplies	120	Encourage narrative building and drawing skills.
Songwriting	6-8	Creating Lyrics	Write and compose original music with lyrics.	Musical instruments, Paper	90	Explore the songwriting process and expression through music.
Art Portfolio Development	6-8	Collecting Works	Create and curate an art portfolio showcasing various works.	Artworks, Portfolio case	120	Foster reflection on artistic growth.
Greeting Card Art	K-2	Card Design	Make handmade cards using different art techniques.	Paper, Markers, Craft supplies	45	Encourage creativity and personal expression.
Visual Literacy	3-5	Interpreting Images	Develop skills to interpret visual images critically.	Images, Discussion materials	60	Enhance analytical skills regarding visuals.
Art Exhibitions Planning	6-8	Showcasing Art	Plan a fictional art exhibition including artworks and layout.	Planning materials, Sketch tools	120	Understand the organizational aspects of art exhibitions.
Persuasive Art	6-8	Art with a Message	Create art that communicates a specific social or political message.	Various materials	120	Discuss the power of persuasion in visual art.
Collage Portraits	3-5	Self-Portrait Collage	Create self-portraits using various materials.	Magazines, Scissors, Glue	90	Encourage self-expression and artistic exploration.
Graphic Novel Creation	6-8	Narrative Comics	Develop graphic novels focusing on story and character.	Pencils, Comic templates	120	Enhance storytelling through sequential art.
Emotional Art	3-5	Expressing Feelings	Create art that interprets and expresses personal feelings.	Art supplies, Journals	90	Encourage reflection on emotions through art.
Fashion Design Fundamentals	6-8	Model Creation	Learn the fundamentals of fashion model creation and sketching.	Sketch materials, Fashion references	120	Understand garment design and fashion illustration.
Theme-Based Art	3-5	Thematic Projects	Create art based on predetermined themes or ideas.	Art supplies, Reference images	90	Enhance thematic expression in art projects.
Community Art Shows	6-8	Art Exhibition Participation	Participate in a community art show with own artworks.	Artworks, Exhibition materials	180	Encourage visibility and engagement in community arts.
Theater Improvisation	3-5	Improvisation Skills	Develop skills through improv workshops and games.	Space for acting, Props	60	Foster spontaneity and confidence in performance.
Chalk Festival	K-2	Outdoor Chalk Art	Participate in a community chalk festival creating art on sidewalks.	Chalk, Open space	120	Promote community engagement and creativity.
Art in	3-5	Art and Story	Explore the connections between literature and	Books, Art	60	Discuss how art conveys narrative

Literature		Interconnection	visual arts.	supplies		elements.
Personal Expression through Art	6-8	Self-Discovery Projects	Create art pieces that represent personal journeys.	Art supplies, Journals	90	Encourage self-reflection and artistic exploration.
Art and Healing	6-8	Therapeutic Art Techniques	Explore art-making as a pathway for emotional healing.	Various art supplies	120	Understand the therapeutic aspects of creating art.
Interactive Storytelling	K-2	Story and Art Combos	Create stories through interactive art projects.	Art supplies, Story prompts	30	Encourage collaborative storytelling and creativity.
Experimental Dance	6-8	Movement Exploration	Explore movement as a form of dance expression.	Open space, Music	90	Encourage body movement and creativity.
Filmmaking Basics	6-8	Basic Filmmaking Skills	Learn about filming and editing short scenes.	Camera, Editing software	120	Introduce essential skills in filmmaking.
Art Forms from Around the World	3-5	Cultural Art Practices	Explore different art forms from various global cultures.	Art materials, Cultural references	90	Foster appreciation for global artistic traditions.
Tactile Art Experiences	K-2	Sensory Art Projects	Create art projects using various textures and materials.	Textured materials, Glue, Paper	60	Enhance sensory engagement through tactile art.
Urban Sketching	6-8	Drawing Cityscapes	Practice drawing urban landscapes and scenes.	Sketchbook, Pencils	60	Encourage observation and representation in urban settings.
Found Object Sculpture	3-5	Repurposed Art	Create sculptures using found objects from the community.	Found objects, Tools	90	Promote creativity and recycling in art.
Elementary Theater Techniques	K-2	Basic Acting Skills	Engage in basic theater techniques for performance.	Space for acting, Props	45	Enhance confidence through theater expression.
Community Mural Project	6-8	Collaborative Mural Creation	Engage the community in designing and painting a large mural.	Paint, Brushes, Wall	240	Promote civic engagement and collaborative art creation.
Art Workshops	6-8	Hands-On Learning	Participate in workshops led by artists in various mediums.	Art supplies, Space	120	Encourage skill-building and exploration in art.
Social Issues in Art	6-8	Art and Activism	Create art that comments on social issues.	Art materials, References	90	Explore art as a means of activism and societal discussion.
Artistic Expression through Performance	3-5	Performance Arts	Develop skills in music, dance, and drama.	Variety of materials, Space	90	Promote well-rounded artistic performances.
Mixed Age Artwork	K-2	Collaborating in Art	Create art pieces as team efforts across grades.	Art supplies, Collaborative space	60	Promote teamwork and mentorship among peers.
Visual Storytelling	6-8	Creating Graphic Stories	Develop graphic novels through imagery and dialogue.	Illustration materials, Draft paper	120	Enhance narrative building through visual literacy.
Art in Social Media	6-8	Digital Exhibition	Explore how art can be shared and exhibited online.	Digital tools, Artworks	90	Discuss digital platforms' role in art dissemination.
Creative Movement Workshops	K-2	Exploring Movement	Engage in fun physical activities emphasizing movement styles.	Open space, Music	45	Promote physicality and expressiveness through movement.
History of Art	6-8	Art Movements Overview	Discuss key historical art movements and their impacts.	Books, Multimedia	90	Enhance understanding of art history and influences.
Creating Art with Found Objects	3-5	Recycled Material Projects	Make sculptures from everyday items found at home.	Found materials, Tools	120	Encourage resourcefulness and creativity.
Art through the Ages	6-8	Manuscript Art History	Explore how different historical periods influence art.	Art history materials, Discussion	90	Discuss evolution and influences in art history.

Soundtrack to Art	3-5	Music Inspired Art	Create visual art influenced by different music genres.	Art supplies, Music	60	Explore the relationship between music and visual expression.
Creating Art from Photography	6-8	Photo Manipulation	Use photography as a basis for creating other art forms.	Camera, Editing software	90	Combine photography with traditional art techniques.
Elements of Dance	6-8	Dance Techniques	Explore the fundamental elements of dance including space, time, and dynamics.	Open space, Music	60	Introduce the vocabulary of dance and physical expression.
Food as Art	K-2	Edible Creations	Create art using food, emphasizing creativity in presentation.	Food items, Utensils	45	Discuss the artistic aspects of food and presentation.
Animating Ideas	6-8	Story Animation	Animate personal stories using basic animation techniques.	Animation software, Scripts	120	Encourage creative expression through animation.
Celebrating Diversity in Art	3-5	Cultural Art Projects	Create art representing various cultures and identities.	Art supplies, Cultural references	90	Explore multi-cultural influences in art making.
Artistic Collaborations	6-8	Partnering in Art	Collaborate with another student on an art project.	Variety of supplies, Space	90	Encourage teamwork and shared creativity.
Art as Communication	3-5	Exploring Messagery	Create art that communicates a message or feeling.	Art supplies, Discussion	60	Discuss the importance of messaging in art.
Funny Faces	K-2	Cartooning Faces	Create funny face drawings using exaggerated features.	Pencils, Paper, Markers	30	Encourage humor and creativity in drawing.
Voice in Art	6-8	Personal Art Projects	Create art that expresses personal voice and style.	Art supplies, Journals	90	Foster individuality through artistic expression.
Exploring Shadows	3-5	Light and Dark in Art	Create art that plays with light and shadows.	Papers, Light sources, Scissors	60	Discuss concepts of light in visual art.
Art Composition Basics	6-8	Design Fundamentals	Learn about composition in creating visually engaging art.	Art supplies, Examples	90	Develop understanding of composition principles.
Creating Comics for Everyone	6-8	Graphic Narrative	Create comics that include universal themes accessible to all ages.	Comic materials, Art supplies	120	Encourage inclusivity through comics and graphic storytelling.
Art and Architecture	6-8	Connecting Arts	Explore the relationship between visual arts and architecture.	Case studies, Drawings	90	Discuss how art intersects with architectural design.
Crafting with Purpose	3-5	Thoughtful Crafting	Create art projects with intended messages or purposes.	Crafting supplies, Thought prompts	90	Encourage awareness and thoughtfulness in crafting.
Translating Feelings into Art	6-8	Emotive Art Creation	Create art pieces that express various emotions.	Art supplies, Discussion	90	Discuss expressing feelings through artistic techniques.
