

| Artifact Name | Location Found | Type | Material | Date Discovered | Significance |
|----------------------------------------|-------------------------|----------------------|------------------|----------------------------------------------|-------------------------------------------------------------|
| Pompeii Mosaic | Pompeii, Italy | Mosaic | Tile | AD 79 | Artistic representation of volcanic eruption |
| Vesuvius Ash Layer | Pompeii, Italy | Geological Sample | Ash | AD 79 | Provides insights on eruption dynamics |
| Volcanic Rock Tool | Hawaiian Islands | Tool | Basalt | Various | Evidence of early human habitation and tool use |
| Teide Lava Bomb | Teide, Spain | Lava Bomb | Basalt | 20th Century | Geological specimen remarkable for size |
| Etna Pyroclastic Flow | Mount Etna, Italy | Geological Sample | Ash | Various | Study of pyroclastic flows in historical context |
| Volcanic Glass Knife | Iceland | Tool | Obsidian | Viking Era | Used by Vikings in daily life |
| Stromboli Volcano Model | Eruption Site, Italy | Model | Plastic | Modern | Educational model of volcanic activity |
| Volcano Ash Pottery | Nicaragua | Artifact | Ceramic | Pre-Columbian | Incorporation of volcanic ash in artifact creation |
| Mauna Loa Lava Rock | Hawaiian Islands | Rock Sample | Pahoehoe Lava | Modern | Symbol of Hawaiian geological activity |
| Volcanic Tuff Fireplace | Italy | Architecture | Tuff | Medieval | Historic building material from eruptions |
| Kilauea Lava Tube | Hawaiian Islands | Geological Feature | Basalt | Modern | Natural tunnel formed by volcanic activity |
| Tongariro Eruption Map | New Zealand | Map | Paper | 20th Century | Mapping significant eruption events |
| Vulcanus Statue | Rome, Italy | Statue | Marble | Ancient Rome | Representation of the god of fire and volcanoes |
| Fuego Lava Sculpture | Guatemala | Sculpture | Lava | Contemporary | Art piece using volcanic materials |
| Ancient Volcano Shrine | Japan | Religious Site | Stone | Ancient | Sacred site for volcano worship |
| Volcano Eruption Simulation Kit | Educational Institution | Simulation Kit | Plastic | 21st Century | Interactive learning tool for volcanic eruptions |
| Volcanic Ash Fertilizer | Various Regions | Agricultural Product | Ash | Modern | Utilization of volcanic ash in agriculture |
| Volcanic Pipe Necklace | Iceland | Jewelry | Lava Stone | Modern | Cultural jewelry using local volcanic materials |
| Mount Rainier Eruption Records | USA | Document | Paper | Modern | Documentation of eruption history and impact |
| Etna Festival Artifacts | Sicily, Italy | Cultural Artifact | Various | Modern | Art and items associated with local eruption festivals |
| Vesuvius Tour Guidebook | Italy | Literature | Paper | Modern | Guide to the historical site of Vesuvius |
| Banana Rock,"Indonesia | Artifact | Volcanic Rock | Modern | Handcrafted item showing volcanic rock usage | NaN |
| Yellowstone Thermal Springs Sample | USA | Water Sample | Water | Modern | Study of hydrothermal features related to volcanic activity |
| Volcanic Rock Paintings | Australia | Art | Rock | Various | Indigenous art using natural pigments from volcanic rock |
| Volcano Simulation Game | Educational Resource | Game | Cardboard | 21st Century | Game to teach about the effects of volcanoes |
| Neru Volcano Ash Gem | Neru, Indonesia | Gemstone | Ash | Modern | Gem formed from volcanic ash |
| Volcanic Sand Sculpture | Hawaii | Sculpture | Sand | Modern | Artistic creation using volcanic sand |
| Fumarole Sample | Iceland | Geological Sample | Steam/Ash | Modern | Study of fumarolic activity |
| Santorini Blue-Domed Houses | Greece | Architecture | Stone | Modern | Cultural significance of volcanic islands |
| Volcanic Residue Excavation Site | Guatemala | Excavation Site | Geological Layer | Modern | Site providing evidence of past eruptions |
| Volcanic Earthquake Measurement Device | Japan | Scientific Equipment | Electronic | Modern | Tool for measuring seismic activity |
| Volcano Disaster Preparedness Kit | Various Regions | Equipment Kit | Various | Modern | Safety kit for volcanic eruption readiness |

| | | | | | |
|----------------------------------------------|-------------------------|-----------------------|-----------------|--------------|-------------------------------------------------------------|
| Lapilli Collection | Italy | Geological Sample | Tephra | Modern | Studying variations in volcanic materials |
| Volcanic Rock Pile Artifact | Philippines | Cultural Artifact | Rock | Pre-Historic | Land marking using volcanic rock |
| Volcanic Gas Emission Equipment | Hawaiian Islands | Scientific Equipment | Electronic | 21st Century | Tool to measure gas emissions from volcanoes |
| Tahiti Lava Flows | French Polynesia | Geological Feature | Basalt | Modern | Study of lava flow patterns |
| Ancient Lava Quarries | Hawaii | Historic Site | Basalt | Pre-Historic | Quarries used by ancient civilizations |
| Volcanic Eruption Documentary | Various | Media | Film | Modern | Documentary covering volcanic eruptions |
| Volcanoes and Earthquakes Atlas | Worldwide | Literature | Paper | Modern | Comprehensive atlas of volcanic activity |
| Volcano Observation Tower | Italy | Structure | Concrete | Modern | Tower for viewing Mount Etna activity |
| Volcanic Ash Cement | Various Regions | Construction Material | Ash | Modern | Usage in sustainable building |
| Advanced Volcanology Textbook | Worldwide | Literature | Paper | Modern | Textbook detailing volcanic techniques |
| Geothermal Power Plant Site | Iceland | Industrial Site | Various | Modern | Power generated from volcanic heat |
| Historical Volcano Maps | Worldwide | Map Collection | Paper | Various | Collection of historical volcanic eruption maps |
| Petroglyphs of Volcanoes | American Southwest | Cultural Artifact | Rock | Ancient | Carvings depicting volcanic activity |
| Volcanic Disaster Response Manual | Global | Literature | Paper | Modern | Guidelines for responding to volcanic disasters |
| Lava Lamp | Various Regions | Novelty Item | Glass/Wax | Modern | Created with lava fluids as a science exhibit |
| Volcanic Ash Soil Analysis Kit | Various Regions | Scientific Equipment | Kit | Modern | For soil quality testing |
| Volcano Safety Guide | Various Regions | Literature | Paper | Modern | Guide for safety during volcanic events |
| Geological Society Volcano Collection | USA | Collection | Various | Modern | Various volcanic samples collected by geological societies |
| Volcanic Eruption Predictions Software | Global | Software | Electronic | 21st Century | Predictive software for eruptions |
| Historical Volcano Eruptions Exhibition | Various Museums | Exhibition | Mixed Materials | Modern | Displays historical eruption artifacts |
| Volcano Disaster Management Plan | Various Regions | Plan | Paper | Modern | Strategic plan for volcanic eruption readiness |
| Volcanic Rocks Medical Uses | Various Regions | Research Paper | Paper | Modern | Exploration of benefits from volcanic materials in medicine |
| Interactive Volcano Model | Educational Institution | Model | Plastic | 21st Century | Model to simulate eruptions |
| Volcanic Rock Garden Design Manual | Various Regions | Literature | Paper | Modern | Guide on landscaping using volcanic materials |
| Hawaiian Volcano Cultural Event Artifacts | Hawaii | Cultural Artifact | Various | Modern | Items related to local celebrations of volcanic activity |
| Volcanic Soil in Farming | Various Regions | Agricultural Research | Paper | Modern | Research on volcanic soil benefits |
| Archipelago of Volcanoes Map | Worldwide | Map | Paper | Modern | Map highlighting volcanic islands |
| Volcano Geological Survey Data | Various Regions | Data Set | Digital | Modern | Data on geological surveys of volcanoes |
| Volcanic Rock Candle Holder | Iceland | Candle Holder | Lava Rock | Modern | Decorative item made from volcanic rock |
| Human Fossils Encased in Ash | Pompeii, Italy | Fossil | Ash | AD 79 | Preserved remains due to ash burial |
| Iconic Eruptive Sites Photography Collection | Worldwide | Art Collection | Photographic | Modern | Photographic documentation of famous eruptions |
| Indigenous Artifacts from | Various | | | | Cultural objects related to |

| | | | | | |
|-----------------------------------------------|-------------------------|-------------------------|------------------|--------------|-------------------------------------------------------------|
| Volcanic Regions | Regions | Artifacts | Stone | Various | volcanic areas |
| Volcanic Ash Paints | Various Regions | Art Supplies | Ash | Modern | Pigments derived from volcanic ash for painting |
| Volcanic Crater Lake Samples | USA | Water Sample | Water | Modern | Samples of lakes formed in volcanic craters |
| Volcano-Related Building Codes | Various Regions | Governance Document | Paper | Modern | Regulations for constructing near volcanoes |
| Volcano Tourism Guidebook | Various Regions | Literature | Paper | Modern | Guide on touring volcanic sites |
| Volcanic Overlook Trails | Various Regions | Trail Information | Paper | Modern | Listing of trails overlooking volcanoes |
| Historic Volcanic Eruptions in Poetry | Various Regions | Literature | Anthology | Modern | Anthology of poems inspired by volcanoes |
| Volcanic Gas Monitoring Station | Hawaiian Islands | Scientific Facility | Concrete | Modern | Installed to monitor active gas emissions |
| Volcano Educational Workshops | Various Regions | Workshop Materials | Paper | Modern | Material for teaching about volcanoes |
| Geological Volcanology Data Collection | Worldwide | Data Set | Digital | Modern | Data collection of geological facts about volcanoes |
| Volcanic Rock Formation Tours | Various Regions | Tour | Mixed | Modern | Tours focused on volcanic rock formations |
| Volcano Emergency Radio Communication Kit | Various Regions | Communication Equipment | Various | Modern | Device for communication during eruptions |
| Volcanic Activity Simulation Software | Global | Software | Electronic | 21st Century | Programs to simulate volcanic activities |
| International Conference on Volcanoes | Worldwide | Conference Material | Paper | Modern | Papers presented at international conferences |
| Volcanic Heritage Sites | World Heritage List | Cultural Landmark | Mixed | Modern | Sites recognized for cultural significance of volcanoes |
| Volcanic Eruptions in History Book | Globally | Literature | Book | Modern | Historical accounts of significant eruptions |
| Sicilian Volcanic Wine | Sicily, Italy | Beverage | Grapes | Modern | Wines produced from volcanic soil grapes |
| Volcano Exploration Kit | Educational Institution | Exploration Kit | Various | 21st Century | Kit for students exploring volcanoes |
| Volcano Eruption Measurement Chart | Scientific Resource | Chart | Paper | Modern | Charting eruption magnitudes across different volcanoes |
| Mount St. Helens Ash Collection | USA | Geological Sample | Ash | Modern | Collection of ash from the 1980 eruption |
| Volcano Impact Studies | Scientific Literature | Paper | Research | Modern | Research papers on the effects of eruptions |
| Tanzanian Kilimanjaro Climbing Gear | Tanzania | Adventure Equipment | Various | Modern | Equipment specifically for volcanic mountain climbing |
| Volcanic Ash And Soil Dating Study | Various Regions | Research | Scientific Paper | Modern | Study of historical volcanic soils |
| Kawah Ijen Sulfur Mining Techniques | Indonesia | Mining Technique | Mineral | Modern | Methodologies used in sulfur mining near volcano |
| Volcanic Social Media Coverage Analysis | Global | Research Paper | Digital | Modern | Study on how social media reports on volcanic activity |
| Community Action Plans for Volcanic Eruptions | Various Regions | Governance Document | Paper | Modern | Plans to assist communities in the event of eruptions |
| Periodic Table of Elements in Volcanology | Scientific Resource | Chart | Paper | Modern | Chart listing elements commonly found in volcanic rocks |
| Volcanic Rock Music Festival Merchandise | Hawaii | Merchandise | Textile | Modern | Items available from festivals celebrating volcanic culture |
| Volcanic Landscapes Photography Exhibit | Various Locations | Art Exhibit | Mixed Media | Modern | Exhibiting artwork of volcanic landscapes |
| Volcano Video Game | Entertainment Industry | Digital Game | Electronic | Modern | Video game based on volcanic scenarios |
| Geologic Timeline of Volcanoes | Worldwide | Chronological Document | Paper | Modern | Timeline marking significant volcanic events |
| Volcanology for Kids Activity Book | Various Regions | Educational Literature | Paper | Modern | Activity book for children about volcanoes |
| | | | | | Research on native |

| | | | | | |
|---------------------------------------------|----------------------|-----------------------|-------------|--------------|------------------------------------------------------------------|
| Native American Volcanic Traditions | North America | Cultural Study | Paper | Modern | traditions related to volcanics |
| Volcanic Stone Carving Techniques | Various Regions | Craft Resource | Paper | Modern | Methodology in stone carving from volcanic sources |
| Volcano Emergency Preparedness Curriculum | Various Regions | Educational Resource | Paper | Modern | Curriculum for schools on volcano-related emergency preparedness |
| Volcano-Themed Board Games | Various Regions | Game | Cardboard | Modern | Board games themed around volcanic activity |
| Volcanic Oil Extraction Studies | Various Regions | Research Paper | Paper | Modern | Studies on extraction of oil from volcanic regions |
| Volcanic Ash in Modern Construction | Various Regions | Construction Research | Paper | Modern | Usage of ash in contemporary building materials |
| Volcano-Based Adventure Tourism | Various Regions | Tourism Information | Paper | Modern | Information on adventure tourism in volcanic areas |
| Volcanic Hot Springs Research Report | USA | Scientific Document | Paper | Modern | Research on the ecological effects of hot springs |
| Volcano Legends Collection | Various Cultures | Literature | Anthology | Modern | Anthology of legends and myths about volcanoes |
| Volcanic Rock Science Fair Projects | Various Regions | Project Ideas | Paper | Modern | Suggestions for science fair projects centered on volcanoes |
| Volcanology Community Forum Records | Online | Digital Archive | Data | Modern | Discussions and studies aggregated from community forums |
| Souvenirs from Volcanic Regions | Various Regions | Cultural Items | Mixed | Modern | Souvenirs depicting the cultural aspects of volcanic regions |
| Volcanic Soil Research Facilities | Worldwide | Research Institution | Mixed | Modern | Institutions focused on volcanic soil research |
| Volcano Analytics Software | Global | Software | Digital | 21st Century | Software analyzing volcano activity patterns |
| Volcanic Erosion Geological Studies | Worldwide | Research Paper | Paper | Modern | Focus on erosion related to volcanic formations |
| Volcanic Contingency Planning Documents | Various Regions | Governance Document | Paper | Modern | Strategies for disaster management related to volcanoes |
| Exploring Volcanoes in Minecraft | Global | Digital Game Concept | Digital | Modern | Integration of volcano exploration in a sandbox game |
| Volcano Simulation with Virtual Reality | Various Regions | Educational Software | Digital | Modern | VR systems that simulate volcanic eruptions |
| Volcanic Eruptions in Movies | Various Regions | Film Catalog | Mixed Media | Modern | Compilation of films featuring volcanic eruptions |
| Volcano-Themed Recipes | Culinary Arts | Recipe Book | Paper | Modern | Book of recipes inspired by volcanic themes |
| Volcanic Ash and Climate Change Study | Various Regions | Research Paper | Paper | Modern | Study on how volcanic ash influences climate |
| Volcano Research Highlights Journal | Scientific Community | Periodical | Digital | Modern | Compilation of significant research findings on volcanology |
| Historical Volcano Eruptions Timeline Chart | Global | Document | Paper | Modern | Chart listing key dates of volcanic eruptions around the globe |
| Volcanic Ecological Studies | Global | Research Paper | Paper | Modern | Research on ecosystems surrounding volcanic areas |
| Volcano Disaster Relief Fund | Global | Economic Program | Paper | Modern | Program aimed at aiding communities post-eruption |
| Interactive Volcano Mapping Application | Global | Digital Resource | Application | Modern | Mapping tool for active volcanoes |
| Volcanic Ash Cultivation Techniques | Global | Agricultural Study | Paper | Modern | Techniques for farming with volcanic ash |
| Volcanic Island Survival Kits | Various Regions | Safety Equipment | Varied | Modern | Emergency kits designed for volcanic island residents |
| Volcanic Tourist | Various | Literature | Brochure | Modern | Directory of popular |

| | | | | | |
|-----------------------------------------------|-----------------|-------------------------|-------------|--------------|-------------------------------------------------------------|
| Attractions Directory | Regions | | | | volcanic sites to visit |
| National Parks with Volcanoes Guide | Worldwide | Literature | Paper | Modern | Guide to national parks featuring volcanic landscapes |
| Volcano Monitoring Drones | Global | Technology | Drone | Modern | Drones used to monitor volcanic activity from above |
| Geology of Volcanoes Case Studies | Various Regions | Research Paper | Paper | Modern | In-depth case studies on specific volcanic events |
| Volcano Cultural Heritage Workshops | Various Regions | Workshop | Mixed | Modern | Workshops focused on preserving volcanic heritage |
| Volcano-Themed Children's Books | Various Regions | Literature | Book | Modern | Children's literature revolving around volcanoes |
| Volcano Eruption Testing Kit | Education | Testing Kit | Various | Modern | Kit for educational purposes to test eruption scenarios |
| Research on Volcanic Minerals | Various Regions | Scientific Document | Paper | Modern | Research into minerals extracted from volcanic areas |
| Volcanic Gas Collection Tube | Science Supply | Equipment | Glass | Modern | Device to collect gases emitted from volcanoes |
| Volcanic Artefact Recovery Plans | Various Regions | Governance Document | Paper | Modern | Plans for recovery and preservation of archaeological finds |
| Online Volcano Monitoring Systems | Global | Digital Service | Web-based | Modern | Software for monitoring remote volcanoes |
| Volcanic Stone Tile Collection | Various Regions | Building Material | Stone | Modern | Collection of tiles made from volcanic materials |
| Volcanic Ash Effects on Agriculture Study | Global | Research Paper | Paper | Modern | Impact of volcanic ash on farming practices |
| Classic Literature Featuring Volcanoes | Various Regions | Anthology | Mixed | Modern | Compilation of classic works referencing volcanoes |
| Emergency Communication Systems for Volcanoes | Various Regions | Communication Equipment | Various | Modern | Equipment for emergency communication during eruptions |
| Volcano-Themed Art Exhibits | Various Regions | Art Exhibit | Mixed Media | Modern | Exhibits showcasing volcanic art |
| Volcanic Ash in Art Restoration | Global | Research Paper | Paper | Modern | Utilization of ash in restoring damaged artworks |
| Volcanic Hot Springs Spa Culture | Global | Literature | Paper | Modern | Exploration of spa culture related to volcanic hot springs |
| Ethical Tourism Guides for Volcanic Areas | Various Regions | Literature | Paper | Modern | Guides promoting sustainable tourism in volcanic locales |
| Volcano-Based Cuisine Exploration | Various Regions | Culinary Literature | Paper | Modern | Exploration of culinary practices near volcanic regions |
| Geothermal Resources Utilization Report | Worldwide | Research Paper | PDF | Modern | Utilization of geothermal resources in energy production |
| Volcano-Related Hazard Zones Maps | Various Regions | Mapping Document | PDF | Modern | Hazard maps for regions near active volcanoes |
| Volcanic Eruptions in Music Lyrics | Various Genres | Lyrics Collection | Digital | Modern | Compilation of songs referencing volcanic activity |
| Sustainable Practices for Volcanic Areas | Various Regions | Research Paper | Paper | Modern | Study of sustainability practices in volcanic environments |
| Volcanic Island Geography Course Material | Various Regions | Educational Material | Paper | Modern | Course materials on volcanic island formations |
| Volcanic Rock Weathering Research | Various Regions | Research Paper | Paper | Modern | Studies on weathering processes of volcanic rock |
| Volcanic Parks Visitor Experience Surveys | Various Regions | Survey Data | Collection | Modern | Data collection on visitor experiences in volcanic parks |
| Volcanic Terrain Modeling Tools | Various Regions | Software | Digital | 21st Century | Tools to model volcanic terrain in 3D |
| Volcano Lavish Lifestyle Documentation | Various Regions | Cultural Study | Paper | Modern | Documenting lifestyles in proximity to volcanoes |

| | | | | | |
|--------------------------------------------------|-----------------|-----------------------|---------|---------|----------------------------------------------------------------------|
| Volcanic Rocks and Metals Extraction Studies | Global | Research Paper | Paper | Modern | Studies on extraction techniques of metals from volcanic rock |
| Volunteer Programs for Volcano Preservation | Various Regions | Program Listing | Paper | Modern | Listings of programs for volunteer work in volcanic regions |
| Volcano Awareness Campaign Materials | Various Regions | Promotional Material | Paper | Modern | Campaign materials aimed at increasing volcanic awareness |
| Volcanic Weather Patterns Research | Global | Scientific Document | Paper | Modern | Research in the meteorological impacts of eruptions |
| Volcanic Landscapes in Virtual Tours | Various Regions | Digital Tour | Digital | Modern | Online tours exploring volcanic landscapes |
| Community Volcanic Activity Responses | Various Regions | Research Paper | Paper | Modern | Studies on community engagement during volcanic events |
| Volcanologic Conferences Proceedings | Various Regions | Conference Material | PDF | Modern | Proceedings from volcanological conferences |
| Volcano-Influenced Architecture Studies | Various Regions | Architecture Study | Paper | Modern | Exploration of architectural styles influenced by volcanic materials |
| Historical Volcano Sculptures Discovery | Various Regions | Artifact | Stone | Various | Historical sculptures created from volcanic rock |
| Volcanic Island Flora and Fauna Studies | Various Regions | Research Paper | Paper | Modern | Studies of biodiversity in volcanic island ecosystems |
| Emergency Responder Training for Volcanic Events | Various Regions | Training Document | Paper | Modern | Training materials for responders to volcanic eruptions |
| Volcanic Eruptions Oral Histories | Various Regions | Oral History Document | Digital | Modern | Collective personal accounts of eruptions |
| Volcanic Sand Dunes Study | Various Regions | Geological Research | Paper | Modern | Research on the formation of sand dunes from volcanic ash |
| Volcanic Analog Experiments | Various Regions | Scientific Document | Paper | Modern | Experiments simulating volcanic behavior in controlled environments |
| Volcano Emergency Preparedness Publications | Various Regions | Literature | Paper | Modern | Books and pamphlets on volcanic safety measures |
